

Quality Policy

Fulbeck Limited has the strategic objective of providing specialised products and manufacturing services for the Chemical Industries.

We work to ISO 9001:2015 and have been certified since the opening of Fulbeck Ltd.

It is our intention to supply all our worldwide customers with products and manufacturing service which will satisfy their needs, both initially and over a reasonable period of time, at competitive prices.

We do this by;

- A) Fully developing our quality system in order to meet customer requirements.
- B) Producing materials of consistent quality, meeting agreed specifications, and continuing to improve the effectiveness of the quality management system.
- C) Having regular meetings to establish and review quality management system.
- D) Employing capable and well trained personnel and communicating to them our quality objectives.
- E) Reviewing the quality management system to ensure its continuing suitability.
- F) Conducting regular audits to ensure the system is continuing to work effectively.

The scope of the QUALITY MANAGEMENT SYSTEM is applicable to the MANUFACTURE, BLENDING AND SUPPLY OF SPECIALITY CHEMICALS.
